

# Put Me In, Coach!

You invest significant time and energy in the coaching process...and so do your clients.

At the end of the engagement, they've gained valuable tools to help them achieve their goals. What they may not have is a way to articulate their learnings - a stake in the ground statement to keep them inspired and motivated.

"Put Me In, Coach!" is designed to bring all your client's coaching insights together in two individualized takeaways; a six-month rallying cry and a personal vision statement. Here's how it works:

1

## INTAKE

Chrysalis conducts an intake meeting with you and your client, in person or virtually, to help us identify and truly understand your client's goals and motivations.

2

## RALLYING CRY

Next, we'll craft an actionable six-month rallying cry to serve as your client's short term, post-coaching North Star. This piece also offers you a touchpoint for valuable follow-up as your client's plans are put into action.

3

## VISION STATEMENT

Finally, we'll create a personal vision statement that defines your client's values, purpose, and intentions. The final vision statement will be professionally designed to provide your client with an inspiring reminder of his/her/their coaching journey.

"Put Me In, Coach!" reinforces your commitment to the long-term growth of your clients and provides them with tangible tools that extend the benefits of their coaching experience. Put Chrysalis in as part of your team and let's work together for the success of your clients.
